

At their regularly scheduled June 18th board meeting, the CORN, LP Board of Directors acted on the results of the membership “stock split” vote. Votes were received representing 1,673 units from an issued total of 2,231 or nearly 75% of the issued stock, and of the votes received, 1,609 or 96.17% voted in favor of the “stock split”.

Given the results of the “stock split” vote, the Board of Directors then passed a Resolution authorizing the issuance of an additional 9 shares of stock for each outstanding share of record, thus officially enacting a 10 for 1 “stock split”.

Members will receive the additional 9 shares of stock for each share of record on June 18th. The certificates representing the additional membership units will be distributed to members in July 2007.
